## Fee Structure for School and Hostel: 2022

The school's financial stability is a key factor in our school's success and high standard. We endeavour to cultivate a good financial relationship with all our parents. Whilst, the payment of school fees is compulsory in terms of Section 40 & 41 of the South African Schools Act, school and hostel fees for 2022 have been determined in terms of the Resolution as decided by the elected School Governing Body.

The following guidelines for paying school and hostel fees apply during 2022:

- For safety reasons, the School Governing Body has declared our office a CASH FREE ZONE!
- All parents are encouraged to pay hostel and school fees **by EFT** (directly into the bank account), instead of bringing cash to school or making card payments.
- If payments are made in advance, parents are able to collect their admission slips more quickly and efficiently without having to stand in long queues at the start of the term.
- There is also the option to complete a debit order form, which may be obtained from our Finance Office.
- Two month's school fees must be paid upon registration in order to receive an admission slip to the school. The different options for paying hostel and school fees are set out in the table on the next page.
- Boarder parents must take note that admission to hostel at the start of each term will only be granted if **school and hostel fees are paid as set out on the next page**, and also as long as any other fees due to the school are paid before the first day of each term.
- Payments should be made on the **WEDNESDAY** before the new term, in order for the money to show in the school/hostel account. It takes up to **two working days** for the money to be reflected on our account.
- If payments are made by means of electronic transfers, please e-mail proof of payment to [finance@girlshigh.co.za](mailto:finance@girlshigh.co.za)
- **All proofs of payment MUST indicate the learner's NAME and SURNAME. We will not be able to identify the payment without the e-mailed document with all the relevant details.**
- NOTE: The hostel has a **separate bank account** to that of the school. Please **DO NOT** pay hostel fees into the school account or vice versa.
